Extremely unique opportunity to acquire a turn-key, furnished eight unit multifamily complex. Extreme pride of ownership with this site, as seller has done an excellent job in regards to maintenance, etc. Buyer could potentially use this as an artist compound/retreat, or as a regular multifamily complex that they rent to tenants. This is one block from the new AutoCamp development that will give the Joshua Tree Village downtown area even more momentum, as more and more boutiques/shops, cafes, etc open and thrive. The property is a 5 minute walk to all the hot retail in the area, and a 10 minute walk to the Visitor Center for Joshua Tree National Park, as well as the weekly farmers market. The complex has excess land where a buyer could potentially build more residential units (Buyer To Verify With County), and it has various on-site amenities, including an office with attached staging room for cleaners, enclosed jacuzzi area, storage shed, parking spots, a dog run, and some units have private patios large enough for jaccuzis to be installed.
